Protocols For Clinic:

1. All patients must have an appointment. There will be no walk ups permitted this year.
2. Patients can call during the clinic date, up to 3pm, to schedule an appointment for that day. An appointment can be made on said date if time slot is available.
3. No one is permitted in the waiting room area. Patients will call clinic, from their vehicle to inform us that they have arrived. Patient will then be notified when they can enter the clinic.
4. Patients **MUST WEAR A FACE COVERING**, at all times, when they are in the clinic.
5. Patients will have their temperature taken before they are seen.
6. The clinic will be sanitized between each patient's appointment.
7. **Pursuant to Gaitway Farm's COVID 19 General Protocol**: All patients, who are not stabled on grounds at Gaitway Farm, will need to vacate the farm when their appointment is completed.
