

## **New Jersey Owner and Breeder Awards 2023**

New Jersey Breeder awards, part of the state appropriation allocation, are based on 12% of the purse amount earned by each **horse finishing 1 through 5** in divisions and finals. These awards are for New Jersey sired offspring.

The following races are included in the Breeders' Awards:

*NJSS Premier Division Races*

*NJSS Standardbred Development Fund races*

*Renaissance Pace*

*SBOANJ Garden State Trot*

*SBOANJ Home Grown Pace*

*NJSS Maturity*

*NJ Classic*

Payments will be made by the SBOANJ at the end of each series or race date.

All purse distribution and final race results will be determined by The New Jersey Racing Commission testing policies. Every effort will be made to distribute the awards in a timely fashion.

W-9/W-8 forms with the name of the first breeder of record as per the USTA must be on file with the SBOANJ in order to receive payment.

SBOANJ membership is required.

Check will be made out to the individual who is listed first as breeder, as per USTA records, who will then be responsible to disburse the Breeder Awards accordingly. SBOANJ will not issue separate checks.
