SBOANJ RENAMES TOP NJ-BRED STAKES FOR ABBATIELLO AND D'ALTRUI

The Standardbred Breeders and Owners Association of New Jersey is honoring two of its longest-serving leaders, Anthony T. Abbatiello and Thomas N. D'Altrui, by renaming the two richest state-bred races in New Jersey for them.

Effective this year, the \$500,000 SBOA New Jersey Pacing Classic, richest homebred stakes race in the nation, will be known as the Anthony Abbatiello New Jersey Pacing Classic. The filly companion \$200,000 Miss New Jersey Pace will be known as the Tom D'Altrui Miss New Jersey Pace. Both stakes finals are scheduled for May 27 at The Meadowlands.

The SBOANJ established the Classic in 1980 to showcase the top New Jersey-sired pacing stars who historically have gone on to dominate nationwide open competition throughout the racing season. Among those outstanding NJ-sireds who won the Classic and national honors were Rocknroll Hanover, Cam's Card Shark and Matt's Scooter.

In addition, the Classic was developed to enhance the breeding and racing of New Jersey standardbreds, encouraging horse owners to choose New Jersey over other states to breed and buy the best racehorses they could. Four years later, the Miss New Jersey Pace was added to spotlight the top New Jersey-sired three-year-old pacing fillies.

Abbatiello, a member of the Harness Racing Hall of Fame and the New Jersey Racing Commission, was a founder of the SBOANJ in 1961. He served as its president for nearly three decades and served 14 years as a Board member until he retired last November.

He is a resident of Colts Neck, where his Five Points Farm was home to many outstanding standardbreds he trained, including millionaires Newt Lobell and Taurus Romeo. He is also a past chairman of the U. S. Trotting Association, American Horse Council and N. J. Sire Stakes Board of Trustees. He was honored this year as harness

horseman of the year by the N. J. Sports Writers Association.

D'Altrui, a resident of Union, served 33 years as an SBOANJ Board member, 22 years of which he was vice president before retiring 16 months ago. He was also a District 12 (NJ) director of the U. S. Trotting Association for 18 years and was active more than 30 years as a member and officer of Harness Horsemen International.

He operated DI Farms in Hillsborough, producing outstanding racehorses such as Totally Ruthless, Sweet Reflection, Whosurboy and DI Starfire, and broodmares, including Mommy Dear, whose foals earned more than \$2 million.

On Monday, May 29, the Memorial Day afternoon racing program will include a "Party in the Park" with Jimmy and the Parrots performing Jimmy Buffet favorites from 12:30 to 3:30 p.m., and games in Paddock Park from 12 to 4 p.m. Post time is 1:10 p.m.

NJSS 2006 RACING SEASON STARTS MAY 12 AT BIG M

The New Jersey Sire Stakes will launch its 2006 pari-mutuel racing season at The Meadowlands on May 12 and 13 with the first of three preliminary rounds of competition for three-year-old pacers concluding with \$175,000 championship finals in June.

Sire Stakes competition for three-year-old pacing fillies is slated to begin May 12, with the colts and geldings on the following night on May 14. New Jersey-sired three-year-old trotters will begin competing on May 29 for colts and geldings and May 31 for fillies.

There will be three preliminary rounds in each of the four NJSS three-year-old divisions, followed by championship finals in June.

NJSS Pari-Mutuel division races for two-year-olds, with three preliminary rounds and \$175,000 championships, will begin in June and conclude in July.

IN THE NEWS

CLAIMING UP AT MEADOWLANDS

The claiming game has been especially busy this year at the Meadowlands. Through March 25, there have been 261 claims, worth a total of \$8,483,335, which has yielded \$294,956 in sales tax for the State of New Jersey. Through the same date last year, there were only 208 claims worth \$7,274,900. This year's highest priced claim to date was \$112,000 for Art Maker on January 28 by the partnership of the Engel Stable, Rucker Stable, D R Van Witzenberg and Sheffield Stable. The most popular horse has been Bust Out who was claimed seven times for prices ranging from \$40,000 to \$50,000. Talk Forever has changed hands six times in the \$20,000 to \$30,000 range. Three horses have been claimed five times this meet: Cartman, Eyes On Kassa and Iwasborntoboogy N. The Meadowlands record was set in 2000 when 726 horses were claimed for a total of \$24.7 million.

MEADOWLANDS MEDIA GUIDE AVAILABLE

The Meadowlands Racetrack's 2006 Harness Media Guide is available on the track's website at www.thebigm.com/mediaGuide.asp and in a printed edition available from the track's publicity office by calling 201-460-4050.

NEW OWNER SEMINAR MAY 13 AT MEADOWLANDS

Any one interested in purchasing a racehorse can find out about the costs, risks and rewards, as well as how to select a trainer and a racehorse, at a special no-cost seminar on May 13 at the Meadowlands. Space is limited and pre-registration is required. For information or to register, please contact Ellen Harvey at 732-780-3700 or hrcnews@ustrotting.com. The seminar is sponsored by the Meadowlands, Hanover Shoe Farm and the U. S. Trotting Association.

SBOANJ GOLF OUTING ON JULY 18

The 11th annual golf outing of the Standardbred Breeders and Owners Association of New Jersey is scheduled for Monday, July 10 at the Cream Ridge Golf Club on Route 539 in Cream Ridge. Further details will be announced soon.

QUESTIONS FOR NJ RACING COMMISSION

Comments or questions related to officiating of races at The Meadowlands can be presented through the New Jersey Racing Commission web site at www.njrconline.com by clicking "contact us" and the navigation bar and the feedback form to email directly to the Commission, or by calling (609) 292-0613.

BETTIE JEAN FORD, 78, TRAINER MARK FORD'S MOM

Condolences to harness trainer Mark Ford, whose mother died April 22 at the Charleston, WV Area Medical Center after a long illness. Ford is also a member of the SBOA Board of Directors.

HAMBO GOLF ON JULY 31

The 14th annual Hambletonian Charity Golf Tournament, benefiting the Harness Racing Museum & Hall of Fame and the Standardbred Retirement Foundation, will take place Monday, July 31, at the Montclair Golf Club in West Orange. The deadline to register is July 18. The basic player registration of \$400 includes greens fees and cart, locker room, range, lunch, on course beverage, cocktail hour, dinner, contests and player gift package. For information, contact Moira Fanning at (609) 371-2211 or mfanning@hambletonian.org.

MAY 15 DEADLINE TO NOMINATE YEARLINGS TO STAKES & NJSS

Important payments are due May 15 to make and keep horses eligible to the lucrative N. J. Sire Stakes Program and other special stakes races for New Jersey-sired horses.

Yearling nominations are due for foals of 2005 who are yearlings in 2006. All horses nominated must be registered with the U. S. Trotting Association (USTA) or Canadian Standardbred Horse Society (CSHS).

For eligibility to the Sire Stakes Program (Pari-Mutuel and Green Acres Divisions), payments should be mailed to NJSS, P.O. Box 34400, Newark, NJ 07189-4400.

NJSS Executive Director Christopher Castens said that registered mail is strongly suggested to avoid potential problems in mailing or delivery of payments. No late payments are accepted.

The fee is \$50 for the NJSS Pari-Mutuel and Green Acres Divisions if a copy of the yearling's registration certificate accompanies the nomination. Without a copy of the certificate, the fee is \$75. The Lou Babic Pace nomination fee is an additional \$25 for the open division and \$15 for the filly division.

It is important to note that the yearling nomination fee is \$250 if the foal being nominated is the result of the interstate transport of a registered New Jersey stallion's semen to a mare outside the state of New Jersey, provided a copy of the certificate accompanies the fee. Without the certificate, the interstate semen transport nomination fee is \$275.

To nominate a yearling to the Anthony Abbatiello New Jersey Pacing Classic, Tom D'Altrui Miss New Jersey Pace and Charles I. Smith Trot for 2008 and the 2007 Harold R. Dancer Trot, payment should be mailed to the SBOA/NJ, 64 Business Route 33, Manalapan, NJ 07726. The fee for the Pacing Classic and Smith Trot is \$25 each, and for the Miss New Jersey and Helen Smith Filly Division, \$15 each. The Dancer Trot fee is \$25.

Also due on May 15 are two-year-old sustaining payments for the 2006 Dancer Trot (\$400) and New Jersey Futurity (\$300), made payable and mailed to the SBOA/NJ, 64 Business Route 33, Manalapan, NJ 07726.

NJAW WANTS YOU!

The New Jersey Account Wagering System (NJAW) is looking for new accounts that will help horsemen who receive a percentage of every bet in New Jersey in the form of purses and breeding funds.

NJAW offers both Internet – www.4NJBETS.com with free video streaming– and voice activated/touch tone phone access – 1-888-4NJ-BETS. These accounts can also be used to make wagers in self-betting machines at the Meadowlands, Monmouth Park and Freehold Raceway.

For more information, please call 800-498-9557, log on to www.4NJBETS.com or visit a guest service center at Meadowlands, Monmouth or Freehold.

President's Message

by Tom Luchento

We are finally seeing progress on the new back paddock extension at The Meadowlands.

The schematic plans have been completed and reviewed by racetrack officials with SBOANJ representatives and other Meadowlands horsepeople. Chris McErlean, vice president of racing operations, says that the overall response has been extremely positive.

Plans call for an addition that can handle six more races and create new men's and women's locker rooms. As you know, the present paddock can handle only seven races, with later races filling in the stalls used by the earlier races. That would make it a 13-race paddock for 130 horses.

In addition, there will be new lighting and a roof membrane on the existing paddock. The ceiling and interior will be painted, and asphalt will be milled. New cooking facilities will be added to the kitchen area and a new HVAC (heating, ventilating and air conditioning) system will be installed for all areas.

According to Chris, the track is on an aggressive time schedule to bid the work out and get construction started on the foundation of the new building, as well as interior

renovations or the existing paddock, immediately after Hambletonian Day on August 5. The work is expected to be completed by the summer of 2007.

We have been waiting for this project for a very long time. It has been a major issue for the SBOA at each and every negotiating session with the track for years. Finally, there is light at the end of the tunnel.

* * *

The subject of enough Lasix stalls at Freehold Raceway, not to mention the greater need for Lasix to be administered at licensed training farms by licensed veterinarians, has been frustrating, to say the least, for all parties involved.

The tremendous time, effort and money have resulted in a major problem for our horse owners. The SBOA is hearing constant complaints and criticism from its members because we have not been able to resolve it.

There is no question that the number one priority for our horse people would be to get the New Jersey Racing Commission to adopt a regulation allowing for Lasix to be given at the training farms, and not just at the racetracks as currently the case.

While we are beginning an effort to get Commission approval, we have an immediate need at Freehold to protect valuable racehorses requiring Lasix, who often are outside in foul weather. The extra portable stalls provided and erected by the SBOA are uncovered.

We still have to convince the Racing Commission to adopt a new regulation, and that could take months.

Since we are not even sure we will be successful in this effort to get Lasix administered at training farms, it is the sincere hope of the SBOA and its members that additional covered Lasix stalls can be constructed so there can be adequate stabling to accommodate the amount of Lasix horses, particularly on Saturday afternoons.

* * *

I want to take this opportunity to commend one of our hard-working Board members, Howard A. Taylor, who is an attorney, for his decision to take a leave of absence from SBOA Board service while he represents trainer-driver Eric Ledford concerning recent illegal drug charges against him. He is doing so to avoid even the perception of a conflict between his participation on the Board and the Association and his legal representation of Ledford.

ROCKNROLL HANOVER WELCOMED TO NJ BY STATE AGRICULTURE CHIEF

NJ Agriculture Secretary Charles M. Kuperus, left, officially welcomed the stallion Rocknroll Hanover, harness racing's horse of the year for 2005, to New Jersey for the 2006 breeding season.

(photo by World Wide Racing Photos)

Held by stallion manager Fidencio Cevantes, at Perretti Farms in Cream Ridge, Rocknroll Hanover earned \$2.2

million in purses last year, finishing in the money in all 18 starts and winning 12.

"This is a significant milestone for our Sire Stakes Program and shows the industry is strong in New Jersey," said Kuperus, who is a member of the NJSS Board of Trustees.

With \$530,781 earned as a two-year-old, the son of Western Ideal banked \$2,784,038 in his career. The stallion is owned by Jeffrey Snyder, Lothlorein Equestrian Center and Perretti Farms.

Noting that a fire killed 12 broodmares and 12 foals in a receiving barn at the farm four days prior to the welcoming event, Anthony Perretti, the farm's general manager, said that the visit by Kuperus added a more positive outlook for the future.

Kuperus, who also inspected the fire area, said he would seek ways for the state to help the farm and horse owners recover from the tragedy. He offered use of a barn at the nearby Horse Park of New Jersey until the farm can erect a new barn.

**There's a lot
of money
to be made in the
NJ Sire Stakes.**

**The 1st step:
Make this yearling
nomination
payment
by May 15!**

To be eligible to the NJ Sire Stakes, yearlings of 2006 (foals of 2005) must be registered with a USTA or Standardbred Canada Registration Certificate dated on or before May 15, 2006.

The nomination fee is \$50 with a copy of the horse's certificate; \$75 without a copy of the certificate.

For a foal resulting from a registered New Jersey stallion's fresh semen which was transported to a mare OUTSIDE the State of New Jersey, the registration fee is \$250 with a copy of the certificate; \$275 without it.

For an additional fee, a yearling can be nominated to the LOU BABIC PACE (\$25 for the Open Division and \$15 for the Filly Division).

To determine whether your yearling's sire was registered in 2004, please call NJ Sire Stakes at (609) 292.8830 or the SBOA (732) 462.2357.

NO BILLING NOTICES WILL BE MAILED.

LEGISLATIVE UPDATE: INTERSTATE LICENSE COMPACT

New Jersey is now the 11th state to become a member of the Interstate Compact for Horse Racing Licensees, joining New York, Delaware, Florida, Kentucky, California and Virginia, among others.

As a result of a bill signed into law by Governor Jon Corzine, owners and trainers in New Jersey can now obtain one multi-jurisdictional license covering all 11 states through National Racing Compact. This program will give those who need licenses in numerous states the option to do so and only be fingerprinted once.

There is a \$75 fee, in addition to each state fee. Applications for these Compact licenses can be obtained through the New Jersey Racing Commission, at www.racinglicense.com or email the Compact at nrcsupport@racinglicense.com. Further information can be obtained from NRC, 2343 Alexandria Drive, Suite 200, Lexington, KY 40504 or by calling 859-224-0584.

MARE RESIDENCY AWARDS SET FOR PAYOFF IN 2006

A new breeders incentive program, created by the SBOA/NJ in 2003 to reward those who board broodmares within the Garden State, will begin offering returns on investments this year.

Because New Jersey's broodmare population slowly declined with the advent of interstate semen transport, the SBOA/NJ sought to create an incentive for people to keep mares in state.

This program, known as the "New Jersey Mare Residency Awards," also rewards those horsemen who have invested heavily in land, buildings, equipment, breeding stock and created jobs while helping to preserve farmland and open space. Stallion owners who stand stallions in New Jersey have generated funds for the program.

The bonus will pay the breeder an amount equal to 10 percent of the money earned by a mare's offspring, in New Jersey Sire Stakes Pari-Mutuel (NJSS) and Green Acres (NJSSGA) competition. A breeder is defined as a person, stable or farm that owns the mare at time of mating.

For a horse's earnings to qualify for a residency award, three conditions must be met.

First, a mare must board in New Jersey for 270 days during the calendar year, in which the mare was bred. Secondly, the mare must be bred to a registered New Jersey stallion making the resulting foal eligible for nomination to the NJSS. And finally, the mare must be registered with SBOA/NJ.

In 2003 farms throughout the state submitted a "Mare Residency Report," supplied by the SBOA/NJ, verifying the dates mares boarded during the year and the stallions to whom these mares were bred. The SBOA/NJ then tabulated the qualified mares. In 2004 these first foals arrived, and after nomination to the NJSS, these now two-year olds are ready to reap benefits for their breeders. More than 400 mares were nominated the initial year. The two years olds, from those mares, will christen the program in 2006 and breeders can expect their 10 percent bonus at the end of the year.

For example, if a horseman bred one of these two-year-olds and the horse earns \$100,000 in NJSS and NJSSGA races, that breeder will receive a check for \$10,000 at the end of the year. There are no additional forms to fill out and no nominating or sustaining fees for breeders to collect an award. This award is based on NJSS and NJSSGA earnings only and does not apply to other NJ-sired events such as the Abbatiello Pacing Classic, D'Altrui Miss New Jersey Pace, Lou Babic Pace, Charles I. Smith Trot, Harold R. Dancer Trot or New Jersey Futurities.

The SBOA/NJ has devoted many hours verifying dates, as many mares change locations during the course of the year. The SBOA/NJ remains committed to the task to assure every possible mare can be nominated. For future consideration, horseman can request a Mare Residency Report from the SBOA/NJ office.
