

A good time to be in New Jersey

Own

The SBOANJ is pleased to announce that payments to owners of New Jersey sired horses 6 years of age and under will now receive an additional \$100 in addition to the current bonus. The payment is made to the owner of a horse who competes in overnight events at Freehold Raceway and The Meadowlands.

With the new bonus, Freehold money earners 1-5 will receive \$700, \$600, \$500, \$400 and \$300 respectively while Meadowlands winners will receive \$1000, \$900, \$800, \$700 and \$600.

Breed

The SBOANJ resident mare program will once again be offered in 2023 for mares who reside in New Jersey for 150 days up to and including foaling. The rebate will be awarded to the owner/breeder of record as per the USTA. This year's rebate is expected to be up to \$1000 per mare. Applications are due into the SBOANJ no later than October 31st 2023 and a foal registration must be included with the application. It is important that you register your foals early.

Breeder awards for the 2023 race season will be paid out at 12%. This payment is distributed to the breeder of record as per the USTA and is based on monetary earnings in designated New Jersey stake races which includes NJSS events, SBOANJ events and New Jersey Classic races. The award is for New Jersey sired horse.

All programs require SBOANJ membership.
